Campus Safety Plan 2025

CALIFORNIA STATE UNIVERSITY

LONG

SPECIAL SAFEGUARDS FOR FACILITIES OR ACTIVITIES

Security of and Access to Campus Facilities

All campus facilities are key accessed and most are open daily for scheduled campus community use. Campus key control and distribution is a function of the Beach Building Services. University Police is responsible for locking all state owned buildings. A few buildings owned and controlled by Associated Students Incorporated and the Auxiliary Services Corporation utilize their own personnel to lock the buildings.

Security Considerations Used in Maintenance of Campus Facilities

Regular inspections and surveys of campus indoor and outdoor lighting, shrubbery and walkways are conducted. The University Police works in conjunction with Beach Building Services and participates in Crime Prevention through Environmental Design concepts.

Special Event Safety Planning

Preparation for large events on campus involve the creation of Incident Action Plans, according to the Standardized Emergency Management System and in collaboration with mutual aid agencies and contracted safety personnel as needed.

New Student Orientations

University Police personnel provide personal safety tips and emergency contact information to new students on a regular basis. Students are informed of policies, crime reporting procedures, and safety programs through regular outreach via email, social media, and tabling at events throughout the academic year.

ACTIONS IN THE LAST 18 MONTHS TO INCREASE SAFETY
