

Dear,

As of Monday, June 14, at noon, our records show that you have failed to submit proof of at least one Covid-19 vaccination shot. The deadline to submit this information via the [Student Health Services Portal](#) is 11:59p.m. June 15th. Those who fail to upload proof by that time, will be dropped to a waitlist jeopardizing their ability to acquire on-campus housing for Academic Year 2021-2022. Only students fully vaccinated or approved for an exemption to the vaccination will be permitted to live in student housing.
