Subject: 2017-2018 Academic Year Annual Report of the Academic Appeals Committee

---

Thank you to all who served on the committee during the 2017-2018 academic year. The committee's findings and recommendations are summarized below and in the following tables.

The committee reviewed 649 appeals during the 2017-2018 year, which was a 18% decrease from the previous year (924). The two largest appeal categories were Reinstatement appeals (318, 47%) and Disqualification appeals (284, 33%). (33 of 199 students were approved for one additional term denied appeal results in the student remaining disqualified and not applying for a future term. The committee received 318 Reinstatement appeals for the 2017-2018 year, of which 125 were approved (39%).

The committee suggested a review of Reinstatement policy to address that students who do not meet reinstatement criteria but have not attended through the College of Continuing Professional Education can be disqualified after their first term of reinstatement, despite earning credits and meeting competitive reinstatement criteria.

The distribution of appeals in the different categories is similar to the previous academic year, with a decrease in the total number of appeals from the previous year. The following tables illustrate the number of appeals granted or denied by category/per month. 499 (59%) of the total appeals received were granted and 150 (23%) were denied. Please note the "Pending/No Action" category (85, 10%) includes appeals that require additional information to be reviewed.
