rules for discussion

A. Write a substantive response to one prompt, and then respond to at least three other student postings.

R. When writing a substantive response be sure to ruminat about the topic in-depth or ruminat about a

Checklist of Common Suggestions

- Be sure to focus on the question that is asked; avoid straying from question.
- Make sure arguments are supported and logical.

- Phrase claims to say what you can really support; avoid **over-generalizations**.
- Be specific; avoid very broad sentences that don't advance essay.
